In this tour we will cover the 2 most popular destinations in Kenya - Masai Mara National Reserve (2 nights) and Lake Nakuru National Park (1 night). Masai Mara is home for "Big Five" (elephants, lions, leopards, rhinos and buffalo) & also zebras, antelope, hyenas, giraffes, African lions including black-maned lion. Lake Nakuru National Park's biggest attraction is undoubtedly its huge flamingo population, which can swell to more than 1.5 million at times.

After an early breakfast your driver will take you to the open grassland of the Masai Mara (5 hours). Rich in biodiversity and home to a large variety of bird species and wildlife, the Masai Mara offers great game viewing and bird-watching opportunities.

After all the time you've spent planning and dreaming about going on safari, this is where it finally starts. Your guide will meet you and explain everything you need to know and answer any questions you might have. And then we'll go out on safari together.

There's so much for you to enjoy in Nairobi. Everyone who comes here loves the city's museums, its national park and other wildlife attractions, but Nairobi also has terrific restaurants, nightlife, accommodation and shopping. It's all part of the fun of visiting this dynamic country and will provide you with so many unforgettable windows on modern life in Kenya.

Day 3

# Masai Mara National Reserve

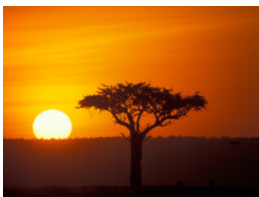

One of our favorite places to look for wildlife in Kenya is the Masai Mara National Reserve. That's because the wildlife here is incredible, with big cats (lions, leopards and cheetahs) and elephants among the highlights. There's a very good chance you'll also see giraffes, buffaloes, wildebeests, zebras, hippos, hyenas, and, of course, impalas. And bring your binoculars, because more than 500 species of birds have been recorded in the reserve. It's a place of beautiful savannah landscapes as well, with lots of acacia trees.

# Masai Mara National Reserve

Spend more time exploring the stunning natural landscapes and extraordinary wildlife of the Masai Mara National Reserve. You will be taken on two gamedrives today, one in the morning from 6.15am to 9am, before breakfast and the other in the late afternoon after lunch from 3.30pm to 6.30pm. Early mornings and late afternoons are considered the best time to spot animals at their most active. As your safari is private, your gamedrive timings are flexible, convenient if travelling with children or if on a honeymoon when you perhaps want to lie in longer on some of the days. You may also choose to have a full day game drive [ one for the whole day] with a packed picnic lunch at no extra cost. Return in the evening for dinner and overnight at the camp.
